

KRUPP BROTHERS

2019 KRUPP BROTHERS M5 CABERNET SAUVIGNON NAPA VALLEY

WINEMAKER'S TASTING NOTES

The latest release of the iconic M5 Cabernet opens with a complex layering of savory-sweet and mountain flora notes, violet, cardamom, black currant, oak moss and California bay leaf. The palate – with the power and depth of a wine from red rocky mountain soils – extends those elements with luscious dark fruits, blackberry, and black raspberry carried by tannins that are both robust and plush. Pair with beef tenderloin in a horseradish garlic sauce, or pasta carbonara. Drink January 2023 through 2025.
