WINEMAKER'S COMMENTS

Deep red with black tints. The 2003 Syrah oozes personality. The nose is full of blueberries, violets, boysenberry, dried fruit, herbs, coffee, mocha, spice and a beautiful floral lift. These aromas flow through to a wonderful varietal palate with loads of blackberries, blueberries and spice. The mouth feel is soft, voluptuous and beautifully balanced. The finish is long with fine persisting tannins. Enjoy with Standing Rib roast or Pan Forte. Drink now through 2017.
