2004 Merlot Krupp Vineyard

<i>Date of Harvest</i>	October 13, 2004
<i>Vineyards</i>	At 1450 feet above sea level, Krupp Vineyard rests just above the Stag's Leap District. With small yields, the Merlot exhibits intense mountain tannins and great structure that comes from red, rocky, volcanic soils. We softened the strong tannins in this Merlot by blending our See selection Cabernet Sauvignon into the finished wine.
<i>Vintage 2004</i>	The 2004 vintage saw some precipitous heat spikes that had to be endured to achieve optimal hang time and complexity of fruit and flavor. The resulting wines from our mountains have power and balance that are found only in great years.

WINEMAKER'S COMMENTS

Cherry-black hue; Complex aromas of ripe cherries, black spices, fresh figs, ground vanilla bean, rosewater, dried herbs and sweet pipe tobacco. The palate presents an overwhelming abundance of flavors including crème de cassis, dried cranberries, black berries, cherry kirsch, and lightly infused truffle oil. This is a dense and brooding Merlot that displays a fine and persistent finish with a hint of tarriness. Best served with roasted leg of lamb, veal ragout and venison sausages. Enjoy now through 2018.
