

KRUPP BROTHERS

2008 KRUPP BROTHERS VERAISON RED NAPA VALLEY

Winemaker's Tasting Notes This wine is rich in aromatics consisting of dark fruits, roasted coffee bean, tobacco, red licorice and spice. A bold entry leads to a beautifully rich and weighty palate with flavors of black currant, bramble berry, cocoa powder and lilac. The structure of the wine is powerful and concentrated which leads to a long & elegant finish.
