A Blend **LIKE NO OTHER** THE ORIGINS OF THE DOCTOR

The Doctor is one of the most unique wines in Napa Valley. A blend of Tempranillo and Bordeaux varietals, named for Dr. Jan Krupp, The Doctor is a wine that embodies the extraordinary nature of Stagecoach Vineyard.

Though Stagecoach's reputation is largely for producing world-class Cabernet, its varied microclimates and volcanic soil result in the ideal growing conditions for 16 different varietals, some of them not often found in the rest of Napa, including Tempranillo. On the valley floor, Tempranillo is often lackluster. At Stagecoach, the vines are planted in cooler mountain spots and the well-drained, rocky soils restrain the Tempranillo vines' vigor, keeping the clusters and berry size smaller creating more intense fruit.

To create The Doctor, we blend Tempranillo with Cabernet Sauvignon, Cabernet Franc, Malbec, and Petit Verdot. The Bordeaux varietals add richness, lush dark fruit flavors and structure to the spice and softer tannins of the Tempranillo, creating a wine of beautiful balance and versatility. The Doctor is an amazing food wine, pairing beautifully not only with roasted lamb but with pork dishes, venison, barbecue and Italian food. §

DOCTOR'S NOTE

The 2017 grape crop is shaping up to be Napa's fifth outstanding vintage in a row. At Stagecoach, we have reaped the benefits of the wet winter — the most rain California has seen in 35 years. Though cooler temperatures led to later bud break, warm temperatures have sped up the ripening, enabling us to harvest before the rains begin.

What is truly exciting for me, is that this harvest will be the first time our visiting club members will be able to experience the smells and sights of a Krupp Brothers crush at our beautiful new winery. Guests will get to witness the frenetic magic firsthand and enjoy the extraordinary perfume of fermenting fruit.

If you happen to be visiting Napa this fall, you will not want to miss out on this extraordinary experience. One of the great new club member benefits is a complimentary tastings and tour for up to a party of six. Gather your friends and family and make a reservation by emailing visit@kruppbrothers.com or call 707.225.2276. If you are not able to make it this year, you can see what we are up to on Facebook and Instagram where we'll be sharing videos and photos of harvest and crush! §

KRUPP BROTHERS *Club Member Soirée*

We had an amazing evening with our club members at the CIA at Copia on August 5th. The festivities began at Krupp Brothers Tasting Room in downtown Napa where club members enjoyed our photo booth and then moved to our venue on the Napa River. Thank you to all those who joined us. We are looking forward to our next soirée, which will be at the winery and estate on September 29, 2018. Save the Date! [S](#)
